

Title I Information for Parents and Families

Parents and families play an important role in Title I schools. With the enactment of the Every Student Succeeds Act of 2015 (ESSA), greater emphasis has been placed on parent and family engagement to help ensure students' academic success. The law is shaped around the following three (3) components of parent and family engagement:

1. Engaging Parents and Families

- Written policies for the engagement of parents and families at the District and school levels.

School Improvement Process (SIP) ([click here](#))

Title I District-level Parent and Family Engagement Plan (PFEP)

Title I School-level PFEP ([click here](#))

- Shared responsibility for high performance of all students.

Title I School-Parent Compact ([click here](#))

2. Building Capacity - Greater capacity for engagement by providing opportunities for parents and families to actively participate in training, activities and events.

Parents Right-to-Know - Qualifications of Child's Teachers

Parents in Title I schools must be notified regarding the professional qualification of teachers assigned teaching duties for four (4) or more consecutive weeks, in a class dealing with a subject matter that is outside the field in which the teachers are certified, outside the field that was their minor field of study, or outside the field in which they have demonstrated sufficient subject area expertise.
